

# Lite Plus

## Vehicle GPS Tracker

### Wide Operating Voltage

Comes with a wide operating voltage of input range from 9V to 100V

### Smart Battery Drain Protection

Smart battery protection features protects vehicle battery from drain

### Water Proof Design

Device comes with a water proof casing design to prevent water entering the device

### Dual Network and IP

With dual network and IP connection enables hassle free operation of the GPS device

### 70+ Software Features

With over 70+ software features provides a best GPS tracking platform

### Vehicle Stop / Start

With immobilization feature vehicle can be stopped and start remotely

### Web and Mobile Platform

Web and mobile platform are available for user convenience

### Multi Language Support

Support for multiple languages commonly spoken across the nation

### Multiple Alerts

Supports multiple alerts like Ignition ON/OFF, Overspeed, Device Unplug, Movement, etc.

### 90 Days Data Backup

With 90 days data backup user can check all past reports and playback in ease

### Geo-Fencing

Get instant alerts when vehicle enters or exits a specified boundary

### Multiple Reports

Many useful reports like distance traveled, ignition ON/OFF, Stoppage report, etc. are provided

## GSM Specification

GSM frequency	850/900/1800/1900 MHz
GPRS	Class 10, Mobile Station Class B
Sensitivity	-107dBm@850/900MHz
Output power	Class 4 (2W)@850/900MHz
GSM module	GSM850/GSM900:33±3dBm GSM1800/GSM1900:30±3dBm
Network protocol	Embedded TCP/IP stack

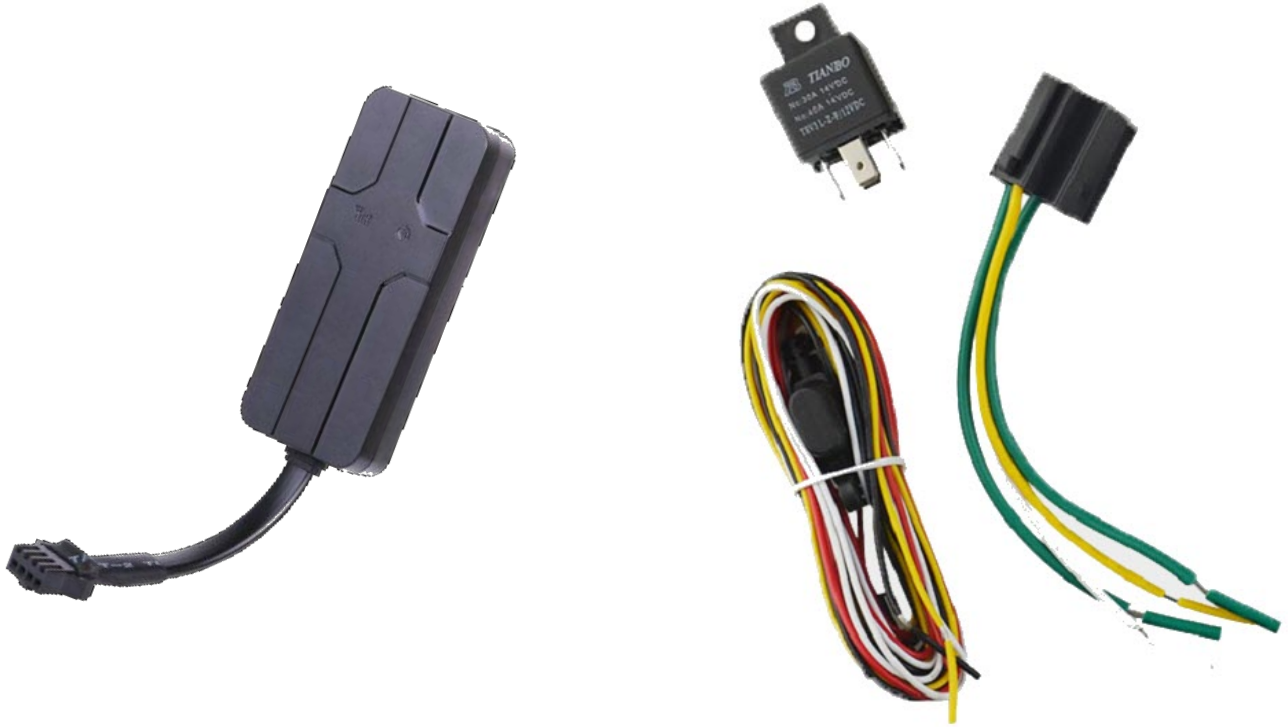

## GPS Specification

GPS chipset	MTK high sensitivity chip
Channels	50
Sensitivity	-147dBm
Position accuracy	5-10m
Accuracy	5m CEP
Cold start	<27s
Hot start	<1s

## Other Details

Input voltage	9-90V DC
Battery	60mAh/3.7V Li-Polymer battery
Digital input	Ignition detect
Digital output	Relay
GSM antenna	Quad Band Antenna
SIM	Microsim
Indicator	2 status LEDs, Blue: GPS, Green: GSM
Memory	1300 pcs
GPS antenna	Built-in Ceramic Antenna

## Device Images

## Application

Sports Bike Tracking

Scooter Tracking

Auto rickshaw

Logistics Tracking

Personal Vehicles

Taxi

## Our Branches

### Head Office:

Door No. 239/6 (1st Floor),  
Gandhi Road, Kakkan St,
